ACTION PLUS ACTIVITY PROGRAMME – WHAT YOU NEED TO KNOW

**Individual activity sessions
suitable for up to 14 participants**

**No Raft Building during
November to March**

“OPEN SESSION”

An Open Session is a relaxed evening period during which groups can enjoy self-organised activities led by their school leaders. Popular options include movie nights, orienteering challenges, indoor and outdoor games, sports activities, and arts and crafts sessions. Activity Packs are available from Reception upon request once on-site, and the shop will also be open during this time. Please note that no Centre-led activities are provided during this session, and group leaders remain responsible for the supervision and management of their group throughout.

**We reserve the right to change activity programmes
according to circumstance.**

ACCESSIBILITY

aeuk
PIONEER
CENTRE
releasing potential

At the Pioneer Centre, we believe that every individual, regardless of their abilities, deserves the opportunity to take part, grow in confidence, and enjoy the adventure.

We're proud to host a wide range of groups, including those with health challenges, disabilities, and special needs. Many of our activity sessions are accessible as standard, requiring no alternative setup. Where adaptations are needed, we often have creative solutions and alternative methods to ensure no one misses out, such as our wheelchair abseiling tower, which opens up the thrill of abseiling to everyone.

Accessibility is more than just facilities. Our staff are passionate about breaking down barriers, and they receive regular training to meet the diverse needs of all our guests. We're committed to creating a welcoming, supportive, and non-judgmental environment for all participants.

Pioneer Centre is mostly under one roof, with level access and smooth transitions between spaces. We also offer a limited number of universally accessible bedrooms with wet room facilities, designed for comfort and ease of use.

We encourage group leaders and organisers to get in touch with us to discuss specific requirements. We're here to help make your stay not just possible, but unforgettable.
